That's the
king's unit...

"RAIDS OF
VALOR"...?!

The most
exclusive of
all units...
It's so
nice!

Dignified
armor,
gorgeous
ornaments,

And I'm
curious about
the fuselage
performance,
too...

Look
here,
Eru!

ナイツ & マジック

Knight's & Magic

Of course.
Think about who
I'm meeting...

It is a
pleasure to
meet you. My
name is Ernesti,
grandchild of
Lauri Echevarria.

I am
extremely
delighted to
receive the
honor of an
audience with
you today.

Your
Majesty, King
Ambrosius.

CHAPTER II
"LET'S SPEAK WITH THE KING"

But
having said
that, completely
ignoring a knight
with the abilities
to fight that
Behemoth didn't
seem right
either...

I have heard of
your deeds during
the "Land Emperor
incident", but I
cannot possibly
commend you for
that publicly.

However,
I was troubled as
to what I should
award a child who
isn't even a fully
grown adult yet.

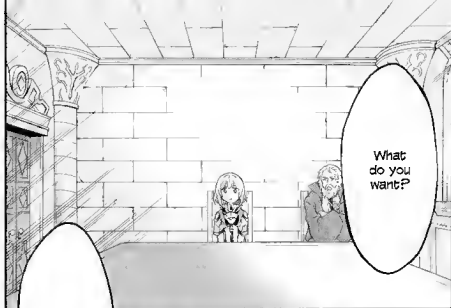

And so,
I thought I would
give you a reward
for your deeds,
but behind closed
doors.

On
that note... I
thought it would
be quickest to
ask the person
in question
directly.

Ah...
I don't
deserve
such an
honor...

What
do you
want?

Tell me.

Then,
since I have the
chance, I'll use the
fact that I'm a child
as an excuse and
ask for something
outrageous...

And it's a bit
suspicious that he
wants to give me a
reward now, after it
had been decided I
wouldn't receive
one

What is
this...? It's
hard to think
of this... as a
simple show of
goodwill.

ヒヤッ...

He's waiting
for the slightest
chance of gaining
an upper hand in
negotiations on
the inside.

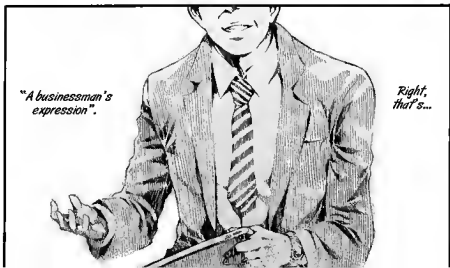

That's
not one you
show towards
a child.

I remember
that from my
memories
from my
"previous
life"...

*That
expression...*

*"A businessman's
expression".*

*Right,
that's...*

*The
haggling has
begun...*

*This is a
negotiation.*

If it does...
Then finally...
Finally, my own
personal
silhouette...

In which case...
Since I have the
chance, should I
try asking for
a silhouette
knight?

That
should be perfect
as a starting point,
and considering my
actual achieve-
ments, it might
possibly go
through.

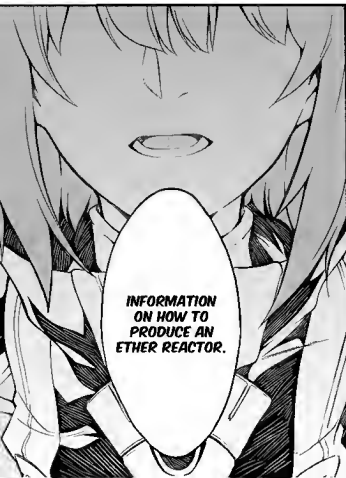

Right... The
item I need
right now,
which is the
most difficult
to procure...

Then shouldn't
I ask his majesty
for something I can
only obtain from
him?

No... No!
This is a once
in a lifetime
opportunity.

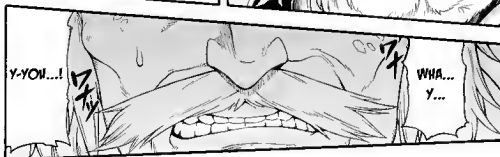

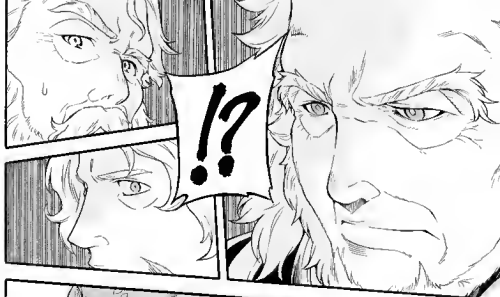

**INFORMATION
ON HOW TO
PRODUCE AN
ETHER REACTOR.**

...Then, I
will tell you
what I wish
for, Your
Majesty.

What
I want most
right now, is
information...

Y-YOU...!

7
WHA...
Y...

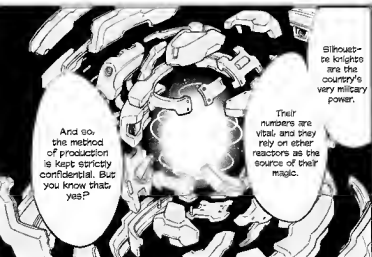

If you wish to obtain one, you would have no choice but to request one from me.

Esner reactions...
Indeed, its method of production is not something known to the general public.

It's fine...

DO
YOU REALIZE
WHAT YOU'RE
SAYING, YOU
BASTARD?!

I've also thoroughly researched how to operate them, and the technology which gives the body its shape... There's just one part I'm missing.

Yes... which is why I have been seeking and studying various information at the Lalhiala Pilot Academy.

...?! BUILD IT, YOU SAY?! SUCH NONSENSE!

THAT'S ON A DIFFERENT LEVEL FROM TAMPERING WITH THE SALODRENS AT THE ACADEMY!

...And so, the reason for that?

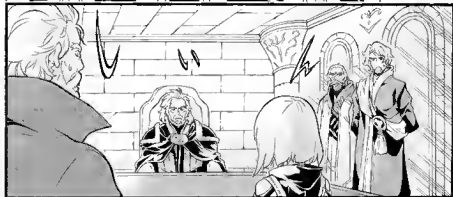

The ether reactor. That is why I would like to receive instructions on the production methods.

If you can grant me that, all that would be left would be to build it.

MY OWN
PERSONAL
CURIOSITY.

HEHE
...

HEH!

OF ALL THINGS,
YOU SAY
IT'S
CURIOSITY?!

AHA
HAHA
HAHA!

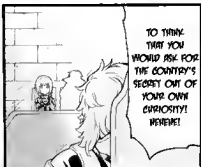

HOW
RIDICU-
LOUS!

Ha
ha
ha
...

Well...

LAUREL, THIS IS A
RATHER AMUSING
GRANDCHILD YOU
HAVE HERE!

TO THINK
THAT YOU
WOULD ASK FOR
THE COUNTRY'S
SECRET OUT OF
YOUR OWN
CURIOSITY!
HEHEHE!

Very well!
I will grant
your wish!!

I know.
It's only natural
that you are
worried.

WHA...
MAJESTY, YOU
MUSTN'T! THAT IS
NOT SOMETHING
THAT CAN BE
TAUGHT TO A
MERCE CHILD...

...You said you
wish to build the
ultimate silhouette
knight, correct?

?

Originally,
it was a secret
never to be let
out... It really isn't
something merited
simply by suppress-
ing a Behemoth.

Then build a
silhouette knight
worthy of revealing
the secrets of the
ether reactor!

It turns
out I have to
build a sufficient
silhouette knight
and show it to
his majesty!

And so...

Regarding the frame for the ultimate silhouette knight I've been thinking of building, save the reactor...

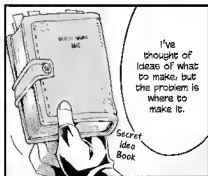

Don't give me "it turns out"! I can't believe you appealed directly to the King ...

There's a procedure to this sort of stuff...

We don't make large scale stuff like that there.

Do you build those in the Termonien workshop at your house, Batson?

I've thought of ideas of what to make, but the problem is where to make it.

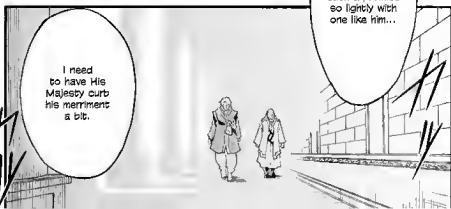

Secret Idea Book

Even if we are, that's just impossible.

Never, ever mention this to my Dad. He can't take jokes.

Can't you do something about that...? Aren't we kindred spirits?!

His majesty
is also worried
about the future
depending upon
that child's abilities
but it seems he's
completely taken
a liking to
him.

Duke
Knut, do not
make such
thoughtless
remarks.

I do
not... But
that is why
his majesty
assigned an
additional
condition.

DO YOU ALSO
THINK IT FINE
TO TEACH THE
COUNTRY'S
SECRETS TO
THAT STRANGE
BOY?!

THAT'S
RIGHT!

I am not
questioning
the difficulty
of the
matter....!

Even if
it is the
headmaster's
grandchild,
building a
silhouette
knight is no
easy task.
